

HYBRID 59

WARRANTY

LIMITED WARRANTY

This is to certify that AGL Hybrid 59 is produced by Artificial Grass Liquidators (AGL for short), under the strict QC management. Eight years warranty will be offered. The warranty conditions are as given below:

- Solar activity range is 0-200w/m² (according to different areas)
- Proper installing, maintenance and use

Any quality problem happens during the warranty period, effective evidence (such as photos) should be submitted, and AGL will be responsible for offering products replacement.

Claims must be submitted within 30 days after discovery of the alleged defects.

Please send it to:
